AFFIDAVIT OF CHRISTOPHER M. WALSH, ESQ.

I, CHRISTOPHER M. WALSH, ESQ., declare as follows:

1. I am a manager with Heffler Claims Group, ("Heffler"), the main offices of which are located at 1515 Market Street, Suite 1700, Philadelphia, Pennsylvania 19102. Heffler was appointed by the Court and engaged by counsel for the parties to provide settlement notification in connection with the settlement reached in the above-captioned matter ("the Settlement"). I have personal knowledge of the matters set forth in this Affidavit, and if called upon as a witness, I could and would competently testify to these matters under penalty of perjury.

2. Heffler has extensive experience in class action matters, having provided services in class action settlements involving antitrust, securities fraud, employment and labor, consumer and government enforcement matters. Heffler has provided notification and/or claims administration services in more than 700 cases.

3. The services provided by Heffler included: a) preparing, printing, mailing, and causing to be published the Class Notice to Class Members ("Notice"); b) processing and remailing of undeliverable Notices; c) establishing a Settlement website; and d) such other tasks as the parties mutually agreed that Heffler should perform.

4. The Class includes:

(1) All persons or entities who purchased an AB-rated generic bioequivalent of Wellbutrin XL ("generic XL") at any time during the "Class Period" (hereafter defined) in California, Florida, Nevada, New York, Tennessee and Wisconsin; and

(2) All entities that purchased 150 mg or 300 mg Wellbutrin XL before an AB-rated generic bioequivalent was available for such dosages AND purchased generic XL in the same state after generic XL became available in California, Florida, Nevada, New York, Tennessee and Wisconsin.

For purposes of the Class definition, persons and entities purchased Wellbutrin XL or generic XL if they paid some or all of the retail purchase price.

Excluded from the Class are "flat co-payers" meaning natural persons whose only purchases of generic XL were made pursuant to contracts with third party payers ("TPP") whereby the amount paid by the natural person for generic XL was the same regardless of the retail purchase price.

The Class Period begins November 14, 2005 and ends on April 29, 2011.

5. Heffler performed the services listed herein under my supervision relating to the dissemination of the Notice dated, March 8, 2013. A copy of the Notice is attached hereto as Exhibit A.

6. Heffler obtained a mailing address of Wellbutrin XL Class Action, P.O. Box 58787, Philadelphia, PA 19102, to receive undeliverable Notices.

7. On or about March 1, 2013, Heffler secured a mailing list containing a total of 34,335 names and last known addresses of third party payers in the states of California, Florida, Nevada, New York, Tennessee and Wisconsin. Heffler then compiled the listings into a database.

8. In order to provide the best notice practicable, Heffler ran the class list through the USPS National Change of Address database, for address standardization and updates. All changes received were applied to the mailing database prior to the initial mailing.

9. Heffler printed and mailed 34,335 Notices via postage pre-paid, first-class USPS mail on March 8, 2013.

10. Heffler designated a website for Class Members www.wxlcclassaction.com, which was available on March 8, 2013. The website was set up to ensure that Class Members could receive and review all of the relevant information pertinent to the Settlement. The website contained: 1) a description of the Settlement; 2) a list of important dates including: the claim form submission date, the Exclusion and Objection dates; and the Fairness Hearing Date; 3) case documents including: the Settlement Agreement, Second Amended Consolidated Class Action Complaint and Jury Demand for End Payors; Order Granting Plaintiff's Motion for Preliminary Approval of Endpayer Class Settlement, and Approving Proposed Form of Notice; Notice of Class Certification and Partial Proposed Biovail Settlement; Third-Party Payer Claim Form; Third-Party Payer Claim Chart; Calculated Claim Total Spreadsheet; Consumer Claim Form; and Wellbutrin XL and Generic NDC Codes. The site also contained a mailing address and telephone number for Class Members to utilize to contact the Claims Administrator, Class Action Settlement Services, LLC, if they should have questions pertaining to the Settlement.

11. As of this date, 35 Notices have been returned by the post office with a forwarding address attached. In each case, the Notices were promptly remailed.

12. As of this date, Heffler has performed address traces on all 4,497 undeliverable Notices returned without a forwarding address. The address trace (often called a "skip trace"), utilized the Class Member's name, previous address and Social Security number, or Tax ID number in order to try and locate a current address. Of the traces performed, 284 updated addresses were obtained. The Notices for these individuals were promptly remailed to those

Class Members via First Class mail at the updated address. After these processes, a total of 4,213 Class Notices were ultimately deemed undeliverable.

13. Pursuant to Paragraph Six of the Court's Order dated February 22, 2013, Heffler caused the Summary Notice of Class Action Settlement to be published in a number of print and electronic media outlets to reach a large percentage of the Class, meeting the requirements of due process and all applicable laws and court rules. A listing of the print and media outlets in which the Notice was published is attached as Exhibit B. A copy of the Verification of Publication Affidavits from these print and media outlets is attached as Exhibit C. The Notice was scheduled to run in the Appleton Post-Crescent, and although promptly scheduled by Heffler to do so, due to a clerical error by the staff of the Appleton Post-Crescent, the Notice was not published. The Appleton Post-Crescent is a relatively small newspaper with a circulation of fewer than 40,000 daily subscribers, servicing the East-Central portion of the State of Wisconsin. The Summary Notice was published in much larger Wisconsin newspapers, The Green Bay Press Gazette and Milwaukee Journal-Sentinel. Heffler is confident that through publication in these two larger Wisconsin papers, as well as publication in large national magazines and Facebook and Google banner advertisements, that adequate notice was given to the class members in Wisconsin who the Summary Notice was intended to inform about this Settlement. Heffler was also informed that Counsel had previously sent a letter to the Honorable Mary A. McLaughlin, informing her that the Notice in People Magazine appeared in the April 5, 2013 edition. Proof of publication offered by People Magazine, which is attached as an Exhibit to this Affidavit, confirms that the Notice actually ran in the April 15, 2013 edition, which went on sale at newsstands on April 5, 2013.

I declare under penalty of perjury that the contents of this Declaration are true and correct to the best of my knowledge, information, and belief.

A handwritten signature in black ink, appearing to read 'C. Walsh', is written above a horizontal line.

- 1) Facebook only shows 28 days at a time, but our ad didn't get approved/start running until April 3 anyway. I've given you the next versions: "Facebook 2...png" -- Use this, and I've gotten rid of the costs, but no dates show. file name: Facebook 3...png" -- Or maybe this one works better for you and, you can white out costs -- but it shows the dates (April 3-30)
- 2) Google AdWords should be what you want. If you need, white out the \$500/day budget line.
